

American Astronomical Society Division on Dynamical Astronomy

Saint Mary's University
Halifax, Nova Scotia, Canada
June 25-29 2006

Program Committee:

Tom Statler (Ohio)
Steve Unwin (JPL)
Marc Murison (USNO)

Organizing Committee:

Joe Hahn (Saint Mary's)
Matt Holman
(Harvard-Smithsonian CfA)

Conference Topics:

planetary dynamics
dynamics of comets &
asteroids
planetary rings and satellites
extrasolar planets
star & planet formation
star clusters & stellar
dynamics
hydrodynamics
galactic dynamics
cosmology
astrometry
and more!
